

## LONG TERM ATHLETIC FIELD USE GUIDE

### Frequently Asked Questions

#### **When are applications accepted?**

Applications for Long Term Athletic Field Use are accepted on an annual basis. Applications are due the third Thursday of September for athletic field use during the following calendar year. Late applications may be accepted, but organizations that submit their application by the due date are given field priority.

#### **What documentation is required to qualify for a Long Term Field Permit?**

- General liability insurance coverage, in the amount of \$1 million that covers the participant, must be acquired in order to receive your Long Term Field Permit.
- A copy of photo identification (California Driver's License or I.D. card) of the Responsible Party and the Alternate Contact is required to complete the application process.

#### **On what bases are Long Term Field Permits granted? Who gets priority?**

Our goal is to accommodate all Long Term Athletic Field Use requests; however, many groups request the same field during the same time. Following the application deadline, Park Reservation staff will review all field requests and divide the fields as fairly as possible. First consideration will be given to City Programs, then Primary Use Agreement holders, followed by national and regional youth or adult tournaments, then youth tryouts, youth games, youth practice, and lastly adult games.

#### **Are Long Term Field Permits available to adult groups for practice reservations?**

No. Applications for Long Term Athletic Field Use are for youth play and adult games or tournaments. Adult practice reservations are taken monthly and may be submitted three (3) business days before the first of the month.

#### **My league needs multiple fields on the same day. How do I reflect that on the Application for Long Term Athletic Field Use?**

Please submit a separate Field Request Form for each necessary field. Do not put multiple required locations on the same Field Request Form. Please, remember to indicate 2<sup>nd</sup> and 3<sup>rd</sup> alternate choices on each Field Request Form.

#### **Can I make same day reservations?**

Once a Long Term contract is established, permit revisions or additions will not be accepted fewer than three (3) business days prior to the proposed field usage date.

#### **How do I know if a field is closed?**

Customers are required to contact the Field Status Line at (916) 277-2336 three (3) hours prior to scheduled field use to establish if the City has closed the fields due to rain or other circumstances.

#### **Will the field be prepared when I arrive? What can be used to line the field?**

Fields are not prepared prior to permitted use. Permit holders may line fields with chalk or latex paint. Burning fields is prohibited.

#### **What happens if someone is using the field I reserved when I arrive?**

If you encounter any problems on-site during a reservation, contact the City Operator at 311 or (916) 264-5011. The City Operator will dispatch a Park Safety Officer to address the situation.

## THINGS TO CONSIDER

### ALCOHOL

In accordance with City Code 12.72.080 possession or consumption of alcoholic beverages is prohibited in all City parks except if permitted for a Special Event.

### CANCELLATION POLICY

All permit cancellations or changes must be submitted in writing a minimum of three (3) business days in advance. Permit modifications will only be accepted by the Responsible Party or the Alternate Contact Person listed on the Application for Long Term Athletic Field Use. Permit revisions will not be accepted fewer than three (3) business days prior to the proposed field usage date. ### CONCESSIONS

A Fundraising Permit and reservation must be in place before an organization may use a concession stand. Once a Fundraising Permit and reservation are in place the Park Reservations Office will issue the applicant a key to the facility. A \$50 deposit is required for the key. The cost of a Fundraising Permit is \$25 per day, per location. If your group will be fundraising throughout the season an annual permit may be requested for a \$150 flat rate.

### CREDITS

In the event of unusual circumstances that affected your use, please notify the Park Reservations office, in writing, within 48 hours of field use to request a credit. Refunds due to rain will automatically be credited to your account. Contact the Field Status line at (916) 277-2336 three (3) hours prior to scheduled field use to establish if the City has closed the fields due to rain or other circumstances.

### FEES

Permit fees are due on the first of the month. Once an application is issued a contract number the cancellation policy becomes applicable.

### FIELD STATUS LINE

The play suitability status of sports fields is monitored continuously. Factors such as the

moisture content of the soil, potential for

inclement weather, safe use and avoidance of injuries, as well as damage to the field if played upon are all taken into consideration in determining the status for play. Contact the Field Status Line at (916) 277-2336 three (3) hours prior to scheduled field use to establish if the City has closed fields due to rain, or other circumstances.

### FOOD

If you are preparing, or serving food to a known group of people additional permits are not required. However, if you plan to sell or serve food to the general public in the City of Sacramento, a County of Sacramento Environmental Health Permit is required. For more information on food service requirements please contact the County at (916) 875-8440.

### INSURANCE

General liability insurance coverage, in the amount of \$1 million that covers the participant, must be acquired in order to receive your Long Term Athletic Field Permit. The City of Sacramento requires all certificates of insurance to be submitted on a standard ACORD form, or on the insurance company's letterhead. The City of Sacramento must be listed as the certificate holder as well as an additional insured with respects to General Liability. An endorsement naming the "The City of Sacramento, its officials, agents, employees and volunteers" must accompany the certificate of insurance. The endorsement page is often referred to as page CG 2011. If you do not have insurance, the City of Sacramento may be able to provide you insurance, at a cost, through its insurance broker. Please contact our Risk Management Department at (916) 808-5556 for more information.

## LIGHTS

Field use after sunset may not occur on an unlit field. When completing your application, please list your end time. Do not list "dusk or "dark". The time of rise and set phenomena cannot be precisely computed, because, in practice, the actual times depend on unpredictable atmospheric conditions that affect the amount of refraction at the horizon. Scheduled times are based on an average of sunsets in order to ensure public safety. Please refer to the Light Schedule listed below:

Reservation Date	Time of Sunset
January 6 - February 2	5:00 pm
February 3 - March 1	5:30 pm
March 2 - March 10	6:00 pm
March 11 - April 1	7:00 pm
April 2 - May 3	7:30 pm
May 4 - June 9	8:00 pm
June 10 - July 15	8:30 pm
July 16 - August 16	8:00 pm
August 17 - September 5	7:30 pm
September 6 - September 22	7:00 pm
September 23 - October 13	6:30 pm

## LINING FIELDS

Fields are not prepared prior to use. Permit holders may line fields with chalk or latex paint. Burning field lines with herbicides is strictly prohibited and can result in loss of further Field Permits. Burning lines kills grass growth for long periods and allows erosion of trenches in the grass cover that are safety hazards to players.

## PARK SAFETY

The mission of Park Safety Services is to provide park guests and park neighbors with a safe and trouble-free environment. A Park Safety staff member will be in or near the park during reserved activities. Park Safety staff has the authorization to stop or modify any activity if deemed necessary. or on-site problems please contact Park Safety Services through the City Operator at 311 or (916) 264-5011. For emergencies call 911.

A copy of photo identification (California Driver's License or I.D. card) of the Responsible Party and the Alternate Contact is required to complete the application process.

## RESPONSIBLE PARTY CHANGE

Permit modifications are only accepted from the Responsible Party or Alternate Contact on file with the Park Reservations Office.

## RESTROOM FACILITIES

Per City Code 12.72.180 in City parks which do not have toilet facilities **the City of Sacramento requires one (1) chemical toilet for any activity where the estimated attendance exceeds fifty (50) persons.** Such facilities shall be provided at the ratio of one (1) for each additional four hundred (400) people, or portion thereof. The number of toilets required is based upon the maximum attendance number at your activity during peak time.

## SOCCER GOAL POLICY

To prevent soccer goals from overturning and causing serious injury, the City of Sacramento has established a policy that all soccer goals used in City parks must be firmly secured to the ground at all times. The elements of this policy are as follows:

- Soccer Goals must be firmly secured to the ground at all times
- Portable soccer goal posts that do not extend into the ground must be properly secured to the ground at all times using soccer goal anchoring clamps

In some situations portable soccer goals can be secured to a nearby fence with a chain and lock when not being used.

## VEHICULAR ACCESS

Motorized vehicles on park property, lawns, turf, restricted roadways, bicycle/pedestrian pathways or athletic fields are prohibited. Roadways and parking areas are clearly marked and established.
