The City of Sacramento must be listed as the certificate holder as well as an additional insured with respects to General Liability. An endorsement naming the "The City of Sacramento, its officials, agents, employees and volunteers" must accompany the certificate of insurance. The endorsement page is often referred to as page CG 2011. If you do not have insurance, the City of Sacramento may be able to provide you insurance, at a cost, through its insurance broker. THINGS TO CONSIDER

CANCELLATION POLICY

All permit cancellations or changes must be submitted in writing a minimum of (3) three days in advance. Permit modifications will only be accepted by the Responsible Party or the Alternate Contact listed on the Application for Athletic Field Use. Permit revisions will not be accepted fewer than three (3) days prior to the proposed field usage date. Changes may be faxed to (916) 454-3956 or emailed to: sacrecreation@cityofsacramento.org

CREDITS

In the event of unusual circumstances that affected your use, please notify the Park Reservations office within 48 hours of field use in writing to request a credit. Refunds due to rain will automatically be credited to your account. Contact the Field Status line at (916) 277-2336 three (3) hours prior to scheduled field use to establish if the City has closed the fields due to rain.

REFUNDS

Any refunds due will be processed and mailed within 21 business days of the event or cancellations. Payments made by Cash or Check will be refunded with a Check. Payments made by credit card will be returned to the credit card.

FIELD STATUS LINE

The play suitability status of sports fields is monitored continuously. Factors such as the moisture content of the soil, potential for inclement weather, safe use and avoidance of injuries, as well as damage to the field if played upon are all taken into consideration in determining the status for play. Contact the Field Status Line at (916) 277-2336 three (3) hours prior to scheduled field use to establish if the City has closed fields due to rain, or other circumstances.

LINING FIELDS

Fields are not prepared prior to use. Permit holders may line fields with chalk or latex paint. Burning field lines with herbicides is strictly prohibited and can result in loss of further Field Permits. Burning lines kills grass growth for long periods and allows erosion of trenches in the grass cover that are safety hazards to players.

LIGHTS

Field use after sunset may not occur on an unlit field. Reservations for lit fields must be for a minimum of one (1) hour. When completing your application, please list your end time. Do not list "dusk or "dark". The time of rise and set phenomena cannot be precisely computed, because, in practice, the actual times depend on unpredictable atmospheric conditions that affect the amount of refraction at the horizon. Scheduled times are based on an average of sunsets in order to ensure public safety. Please refer to the Light Schedule listed below.

January 6 - February 2	5:00 pm

SOCCER GOAL POLICY

To prevent soccer goals from overturning and causing serious injury, the City of Sacramento has established a policy that all soccer goals used in City parks must be firmly secured to the ground at all times. The elements of this policy are as follows:

- Soccer goals must be firmly secured to the ground at all times
- Portable soccer goal posts that do not extend into the ground must be properly secured to the ground at all times using soccer goal anchoring clamps
- A minimum of three (3) soccer goal anchoring clamps must be used on each portable soccer goal

In some situations portable soccer goals can be secured to a nearby fence with a chain and lock when not being used.

RESTROOM FACILITIES

FOOD

If you are preparing, or serving food to a known group of people additional permits are not required. However, if you plan to sell or serve food to the general public in the City of Sacramento a County of Sacramento Environmental Health Permit is required. For more information on food service requirements please contact the County at (916) 875-8440.

TRASH DISPOSAL

All sites must be restored to original condition at the end of use. Clean up and/or repair charges beyond normal wear and tear will be billed to the permit holder based on cost of repair. If trash receptacles are full, please bag waste and place bags next to trash barrels.
